Hi Gang,

I've grown very tired of AOL constant mail system problems. My mail goes into cuberspace half of the time and it's gotten to be a serious problem. So I have taken the advice of several people and gone to using an ISP. So far I'm very satisfied in the speed and versatility of the programs. So please make a note of my new address: kherron@voyager.net. I have been mail testing this all day and have been vvery pleased
Thanks for the 'bandwidth'.

KIM
